

# Welcome to Nelson's StoryShare

Nelson's StoryShare is a permanent feature in Art Gibbon Park, designed for the enjoyment of the entire community.

This storytelling path will showcase a diverse range of content, including children's tales, Indigenous stories, youth photography, biographies of Elders written by children, local history, recipes, and more.

Curated by the StoryShare committee, the content will rotate monthly. We invite everyone to contribute and share their stories!

We are story.

All of us.

What comes to matter then is the creation of the best possible story we can while we're here; you, me, us, together.

When we can do that and we take the time to share those stories with each other,

we get bigger inside,

we see each other,

we recognize our kinship –

we change the world,

one story at a time.
